to Rev. Saml May Jr.,

Reicester.

Boston Feb 3^d 1847

Dear Anna,

10

I received your letter containing the suggestion of Mr. Estlin, & acted in conformity to it, by forwarding a circular comprising what was contained in the Liberator.

Yesterday we had a board meeting, at which a unanimous vote was passed, to entreat you to take the general agency of the Mass. Soc, with James Buffum as a co-laborer in the financial & convention labours. I do hope & pray

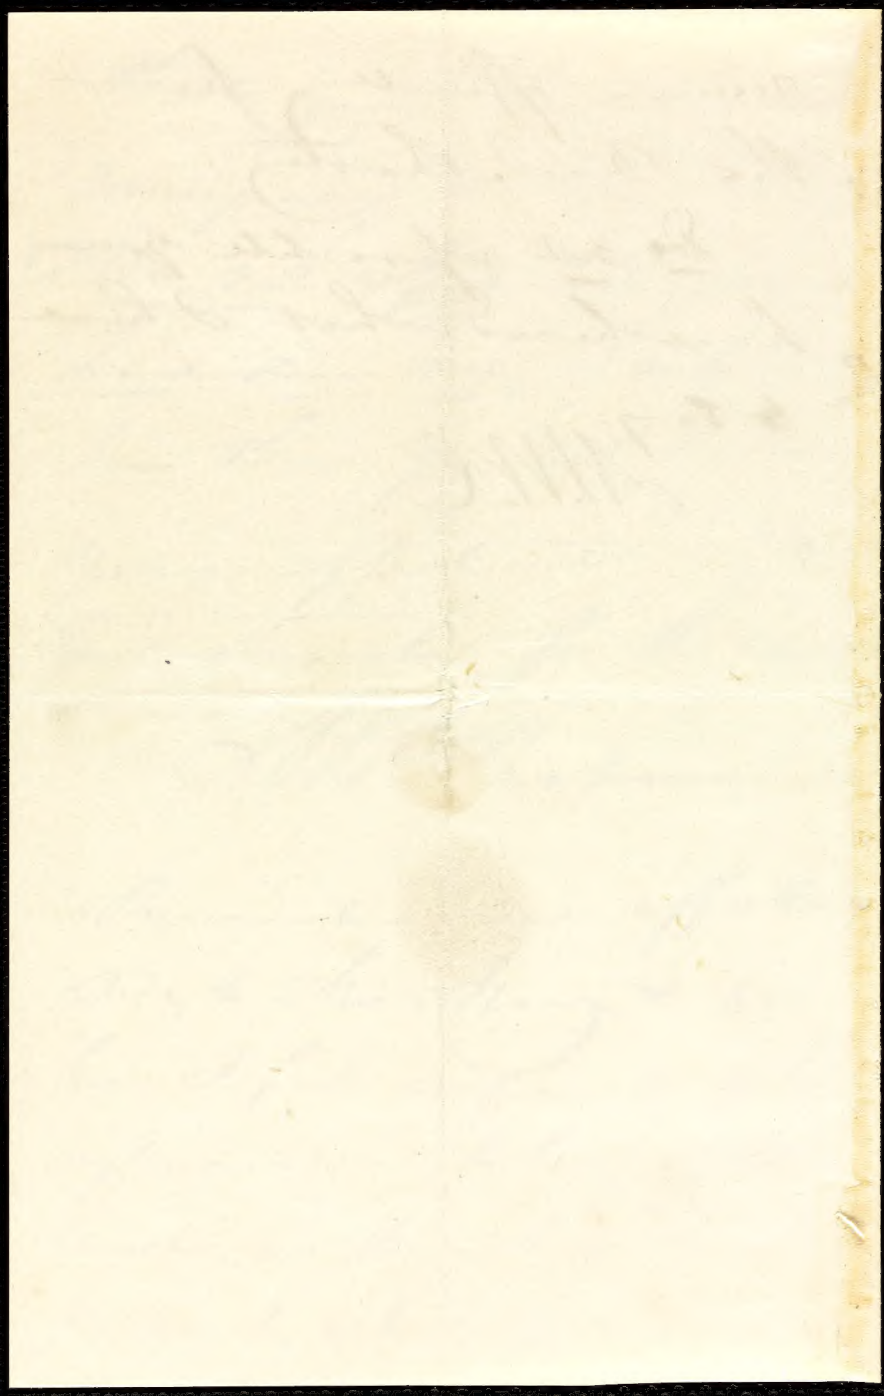

that you see the
Emergency & the Necessity:
~~Do~~ Do not refuse till you
have seen me, I entreat. Ever
In the greatest haste,
Yours affectionately &
industriously for the Cause
A. A. Chapman

Remember me affection-
ately to Mrs May, & tell
her I feel confident of her
influence in behalf of the
Cause, in the above named
Proposal, what you will

remains officially from
y: the Board, shortly.

Do not refuse till you
have heard what I have
to say.

A.W.C.

The Reverend

Samuel May
